Just a Few of Our Successes

- Co-developed innovative blended learning program earning PMI's Professional Development Product of the Year Award
- Completed multi-year Job Task Analysis (336 tasks) & course development (134 hours) for large Federal Government agency
- Created processes & templates to decrease Federal Agency long-term planning cycle from 2 years to 3 months on approx. 200 projects annually
- Ranked as #1 speaker in 2016 and #2 in 2017 based on downloaded recordings for a leader in online PDUs
- PMP® class participants achieve 92% first-time pass rate; industry average is 74%
- Designed / created custom curriculum in a variety of industries
- Recommended one streamlined curriculum for large State Government by completing gap analysis (383 hours of training, 33 courses, 491 files)
- Updated & delivered annual 5-month Project Management Mentoring Program for large State Government; led for 4 years
- Selected to serve on PMI's committee to write & review the *PMBOK® Guide* 4th edition

Our Award-Winning Team

Just like you, we expect the best from our people. We hire those who expect a lot from themselves and are naturally curious. While the accolades and awards we've earned help showcase our successes, what matters is how well we do for you.

- The Forward Momentum staff – led by training & leadership veteran Vicki Wrona, MBA, PMP – individually boast over 15 years of experience in project management and/or learning & development in a variety of industries
- Certified and current, including PMP®, CPLP, CRI, Langevin, and more
- Experience spans across the globe in a myriad of industries, & F500® & government organizations
- Earned awards from PMI, Skillsoft, ITMPI, and Global Knowledge
- Consistently deliver successful projects, both large and small, mentoring teams to be self-sufficient, as desired
- Successfully designed, launched, & implemented platforms, including managing complex platform migrations
- Love to share our knowledge through free resources, as well as via speaking engagements at conferences & industry events
