Just A Few of Our Successes

- Completed multi-year Job Task Analysis (336 tasks).
- Completed 203.75 hours of instructor-led and eLearning curriculum design & development for large Federal Government agency.
- Produced 41 hours of accessible eLearning, as tested/verified by DHS certified Trusted Testers for Section 508 compliance.
- Co-developed innovative blended learning program earning PMI's Professional Development Product of the Year Award.
- Created processes & templates to decrease Federal Agency long-term planning cycle from 2 years to 3 months on approx. 200 projects annually.
- Provided speakers ranked as #1 or #2 most downloaded recordings 2016-2021 for a leader in online PDUs.
- Recommended one streamlined curriculum for large State Government by completing gap analysis (383 hours of training, 33 courses, 491 files).
- Updated & delivered annual 5-month Project Management Mentoring Program for large State Government; led 4 years.
- Designed / developed custom curriculum in a variety of industries.
- PMP® certification exam preparation learners achieve 99% first-time pass rate vs. industry average of 74%.
- Selected to serve on PMI's committee to write & review the *PMBOK® Guide* 4th edition.

Our Award-Winning Team

Just like you, we expect the best from our people. We hire those who expect a lot from themselves and are naturally curious. While the accolades and awards we've earned help showcase our successes, what matters is how well we do for you.

- The Forward Momentum staff – led by training & leadership veteran Vicki Wrona, PMP – each boasts over 15 years of experience in project management and/or learning & development in a variety of industries
- Certified and current, including PMP®, CPLP, CRI, Langevin, and more
- Experience spans across the globe in a myriad of industries, in both F500® & government organizations
- Consistently deliver successful projects, both large and small
- Mentor and coach employees, as desired
- Successfully design, launch, & implement platforms, including managing complex platform migrations
- Passionate about sharing our knowledge through free resources and speaking engagements
